EXCURSION TIPS

Experience the free ascent with the Lienz cable cars (Zettersfeld and Hochstein) and Obertilliach to some great family attractions on the mountain.

FAMILY PARK ZETTERSFELD

Get into the gondola and ride up to Zettersfeld! Along the way you will find 15 adventure play stages. All of them invite to play and romp or to relax, with interesting information on the 15 occurring animals being shared. The adventure story of the family park’s mascot „Steiner Mandl“ makes the stages come to life with a little imagination and guarantees an exciting day on the Zettersfeld.

The adventure kit, consisting of a racket, ball and little story book, can be purchased directly from the valley station of the „Bergbahnen Lienz“ (cable cars) for a fee of € 6,- per adult and € 3,- per child (€ 15,- security deposit per kit).

FAMILY DAY AT HOCHSTEIN

With the Lienzer Bergbahn cable car you ride up from the bottom station Hochstein to the Moosalm directly, which invites you to a refreshment. There you can discover the petting zoo Moosalm and the adventure playground in the forest, which are freely accessible!

Another special adventure at Hochstein is the climbing park Lienz, which is Tyrolean’s largest high rope course. For even more action afterwards you can head back to the valley with the alpine coaster „Osttirodler“.

CHILDREN’S MILE AT GOLZENTIPP

The Obertilliach children’s mile leads with a total of eight stations along the walking path suitable for pushchairs from the peak station of the cable car Golzentippbahn.

A waterway, an agility test climbing on wooden logs, a labyrinth and much more: plenty of entertaining variety is provided! The highlight for the family is the area by the reservoir lake with a wealth of views. Here your gaze can drift from the „Hohe Tauern“ with the Grossglockner to the Lienz Dolomites and Gailtaler Alpen and over to the Karnische Alpen.
